

ROTARY INTERNATIONAL

3 December 2007

To: Rafiq Siddique, Governor, District 3280

Dear Governor Siddique:

We are saddened to hear of the devastation caused by the recent cyclone in your country. On behalf of Rotary International, we want to send our sincere condolences to the communities affected by this disaster. We hope that all victims are receiving the emergency assistance they need.

When recovery efforts are being undertaken, Rotarians will be calling Rotary International, expressing their concern and asking how they or their clubs can help. If you learn of recovery efforts being coordinated by clubs in your district, we would appreciate your providing RI with details so that we may share this information with the Rotary community via the RI Web site (www.rotary.org). Please send a description of the project, including Rotarian contact information for local relief efforts to, relief@rotary.org.

When organizing your club's or district's response to a local or international disaster, we always encourage you to work with organizations such as UNICEF, the International Federation of the Red Cross and Red Crescent Societies, Doctors Without Borders, ShelterBox, Aquabox, and World Water Works to meet the immediate needs of victims affected by the disaster.

Please know that you have the support of Rotarians around the world as you cope with this disaster.

Sincerely,
