District Rotary Foundation Committee

21. DISTRICT ROTARY FOUNDATION COMMITTEE CHAIR

Note: The district Rotary Foundation committee chair is a three-year appointment. Please be sure to include the district governor-nominee's authorization if this is a new appointment. Consult the current governor if you are unsure of the appointment status of the district Rotary Foundation committee chair. For pilot districts, your DRFC chair should serve the entire duration of the pilot phase (2010-13). If your DRFC chair is in the middle of a three-year term in 2010-11 and will not continue for the remainder of the pilot phase, the governors whom the new DRFC chair will serve under should select a new DRFC chair who will agree to serve for the three years of the pilot phase and attend the training that will take place in conjunction with the 2010 International Assembly. In order to prepare for the training in San Diego, please return the appointment form found in your welcome packet by 1 August 2009. To appoint a new DRFC chair, please contact trf.administration@rotary.org for the appropriate form.
