

THE ROTARY FOUNDATION

Humanitarian Grants Program

WORLD REPORTING SUSPENSIONS

The Rotary Foundation Trustees suspended the following districts from participation in the Humanitarian Grants Program for non-compliance with reporting. A district will be lifted from suspension when it reaches 90% reporting compliance and has successfully reported on all district-sponsored grants. Until the suspension is lifted, grant processing will stop for humanitarian projects sponsored by a suspended district or one of its member clubs.

District	Suspension Date
-----------------	------------------------

There are no districts suspended at this time.
