

2012 – 2013
ROTARY INTERNATIONAL
DISTRICT GOAL FORM FOR MEMBERSHIP

District governors-elect are responsible for helping club presidents-elect set achievable membership goals and work with District Membership Chairs and Rotary Coordinators to develop strategies to reach those goals. Club presidents-elect have been advised that the *Planning Guide for Effective Rotary Clubs* is a useful resource for developing their club’s membership goal, and that you will be available to them during PETS if they need assistance. Upon completion of the *Planning Guide for Effective Rotary Clubs*, presidents-elect have been instructed to complete the Club Goal Form for Membership (found at www.rotary.org) and submit it to you.

This year the RI President is encouraging clubs and districts to challenge themselves and set a more aggressive goal than the 3% increase recommended by the RI Board of Directors during its September 2011 meeting and the net 1 member required to achieve the Presidential Citation. You may use the RI Board recommended goal of 3% net for any club from whom you have not received a stated goal in making your overall district composite goal calculation. **Please be reminded that if the district goal is not submitted, RI will assign the district goal to reflect the RI Board recommendation of 3% net per club as of 1 July 2012.**

Please collect membership goals from all club presidents-elect by 1 June and submit the final district goal using the form below to Rotary International headquarters by 30 June.

Your district goal may be submitted online https://rotary.qualtrics.com/SE/?SID=SV_1MITSNZmdyb9X8a0, or this form can be faxed to RI at +1-847-556-2190, or it can be scanned and emailed to membershipreports@rotary.org. Please do not submit Club Goal Forms for Membership to Rotary International. Those forms are for your reference.
