

Rotarian Payee Information Form

All Rotarians requesting payment from Rotary International must complete this form.

Payment will be delayed if incomplete or incorrect information is provided, so please follow the instructions.

Form Instructions

1. Filling out the form

Section A: Complete this section regardless of your method of payment.

Section B: Indicate your choice of payment by putting an in one of the boxes. Refer to the [Payment Guidelines](#) to determine payment method, currency, and required banking information for your country. If your bank account is located in a country other than your country of residence, look up the country where payment will be sent. Note: Payment may come from a different country, so the banking requirements may be different from sending a domestic transfer.

- **Check:** Check payments are a valid option in only a few countries (see [Payment Guidelines](#)). Checks are sent directly to your personal address.
- **EFT:** Most payments are sent via electronic funds transfer (EFT), which is the safest and most economical payment method. For EFT, please provide the exact name on the account and all required information.

Section C: Complete this section if your payments will be paid by EFT. U.S. correspondent bank information is required if you are receiving an international EFT in U.S. dollars. Your bank can assist you in providing the correct information.

2. Submitting the form

E-mail is the preferred submission method. Please e-mail your completed form to vendors@rotary.org (you do not need to sign the form; your e-mail address verifies your identity).
