

NON-CERTIFIED DISTRICTS

as of 03 March 2015

A non-certified district is not permitted to initiate any new exchanges until it achieves certification. Districts that lose their certification may continue with exchanges that were planned or underway when the district was certified or provisionally certified if they obtain the authorization of their exchange partners. Any district that plans an exchange with a district currently on the non-certified list will lose its own certification status.

The following districts are **not** certified:
